TO WHOM IT MAY CONCERN

Dear Sir/Madam,

LETTER OF RECOMMENDATION

We are Initiative for Community Empowerment and Development (ICED). Our mission is providing access to resources and services.

Hausstrom Limited's power backup products have been essential in helping us towards achieving our mission by allowing us to keep our community centers and other facilities running smoothly even during power outages.

Hausstrom Limited's power backup products customer service is outstanding and have always been available to provide support and guidance.

We hereby recommend Hausstrom Limited's products and services to organizations empowering and developing communities.

Thank you.

Your Sincerely,

Initiative for Community Advancement and Development
